

Week #1 (Full Order)

Remember, the hyperlinks in each email actually work within this pdf. Click each one to be taken to the affiliate page for the product being promoted.

There, you will grab your affiliate link (or request permission to promote).

Once you have your affiliate link, simply replace the links I've included in this pdf with your actual affiliate links. This is how you'll get paid!

Be sure to load these emails into your autoresponder service of choice.

You can set them to go out daily, every other day, or essentially however frequently you'd like.

If you'd prefer to send them out as newsletters (aka broadcasts), that's fine, too... though I really don't see much advantage to doing so. But I never claimed to see all things! ;)

In any case, thanks and enjoy.

I hope you LOVE this week's installment!

-Lee

P.S. Please contact me at lee@listbuildingwithlee.com if any of the products being promoted have been taken off the market. This happens from time to time, and there's really no way for me to monitor such things... so you can be my eyes and ears.

If a product has been taken off the market, I will find a replacement product for you to promote. Thanks.

Body:

I remember how excited I was when Twitter first came out and droves of “Make Money With Twitter” products hit the market all at once.

Nothing much came of the craze for most people, while others legitimately established MEGA businesses for themselves.

But today, MAO Flynn is changing the game... in a major way.

>> [Click Here to Discover Something Revolutionary!](#)

You're about to learn how to use this social media giant in brand new ways, with the ultimate end result being a MASSIVE email list, far more targeted than you can get with solo ads or virtually any other type of paid traffic.

And yeah, Twitter is completely FREE to use.

Right now, I really want you to [click this link](#) and look at the proofs of income. I was pretty staggered when I saw it. I really thought that the idea of using Twitter for IM purposes was a lost cause.

But I didn't spend a large chunk of my life researching all the details and possibilities like MAO Flynn did, either. And what he's come up with is magic.

I bought this WSO... and I can tell you... even at 137 pages, it will keep you excited from beginning to end. And thanks to this great guide, I will be revisiting Twitter myself to build my email lists for FREE!

So yeah...

It's like a joyful visit from an old friend. But in this case, your old friend is more amazing than ever before. ;)

>> [Click Here to See What Matt & Mike Cooked for You!](#)

Here's the thing... when you need to get your tires aligned, you don't go to an autobody shop. When you need to fill a cavity in your bottom right molar, you don't go to a yoga instructor.

Mike is EXACTLY who you need to be getting your video production chops from. Nobody else even touches the dude.

Millionaire IMer Matt Bacak knows this, which is why he's teamed up with Mike to bring you the most comprehensive video production package that your tiny little investment can buy.

Remember, this is a WSO! That means you're going to get this at just a microscopic fraction of the price that others will be spending.

This is a totally different animal, and I'm both honored and excited to have had the opportunity to share it with you today.

I can't wait to see your next video, and hear about your success!
