

# Week #2 (Full Order)

Remember, the hyperlinks in each email actually work within this pdf. Click each one to be taken to the affiliate page for the product being promoted.

There, you will grab your affiliate link (or request permission to promote).

Once you have your affiliate link, simply replace the links I've included in this pdf with your actual affiliate links. This is how you'll get paid!

Be sure to load these emails into your autoresponder service of choice.

You can set them to go out daily, every other day, or essentially however frequently you'd like.

If you'd prefer to send them out as newsletters (aka broadcasts), that's fine, too... though I really don't see much advantage to doing so. But I never claimed to see all things! ;)

In any case, thanks and enjoy.

I hope you LOVE this week's installment!

-Lee

P.S. Please contact me at [lee@listbuildingwithlee.com](mailto:lee@listbuildingwithlee.com) if any of the products being promoted have been taken off the market. This happens from time to time, and there's really no way for me to monitor such things... so you can be my eyes and ears.

If a product has been taken off the market, I will find a replacement product for you to promote. Thanks.
