

# Week #5 (Full Order)

Remember, the hyperlinks in each email actually work within this pdf. Click each one to be taken to the affiliate page for the product being promoted.

There, you will grab your affiliate link (or request permission to promote).

Once you have your affiliate link, simply replace the links I've included in this pdf with your actual affiliate links. This is how you'll get paid!

Be sure to load these emails into your autoresponder service of choice.

You can set them to go out daily, every other day, or essentially however frequently you'd like.

If you'd prefer to send them out as newsletters (aka broadcasts), that's fine, too... though I really don't see much advantage to doing so. But I never claimed to see all things! ;)

In any case, thanks and enjoy.

I hope you LOVE this week's installment!

-Lee

P.S. Please contact me at [lee@listbuildingwithlee.com](mailto:lee@listbuildingwithlee.com) if any of the products being promoted have been taken off the market. This happens from time to time, and there's really no way for me to monitor such things... so you can be my eyes and ears.

If a product has been taken off the market, I will find a replacement product for you to promote. Thanks.

**\*\*\*IMPORTANT NOTE FROM LEE\*\*\***

Some of my students and customers have voiced concerns over not getting approved by product vendors to promote offers. Listen, it is up to you to make this happen! Do whatever it takes. PM or Email the sons of bitches... over and over again, if that's what it takes.

You are certainly welcome to drop my name. Let them know that you're a student of mine and that you're using my content to promote their stuff. But while that will certainly win you some points with many vendors, I don't have relationships with all product creators on Earth, contrary to what you may think!

As such, let them know that you're a real person. Don't be rigid in your approach. Be laid back, maybe a bit playful. Use words like "brother, my friend, amigo, etc." Don't suck up too much. Make them perceive you as valuable. If you beg them to let you promote, you're gonna look like a schmuck.

I've never used that word. Ever. That's how serious I am, apparently. ;)

If you have to contact a vendor more than once, do it. If you have to contact them more than twice, do it.

Also, remember that as you continue using these emails, building your list, and making sales...

You will start getting approved by more vendors more quickly.

C'mon, don't be helpless, okay? :D

You got this, baby!

Rock it out.

Thanks and enjoy,

Lee Murray

# Promo #1 – “Auto Sales Machine” by Cameron and Mario

2. Viewer Discretion Advised... The “C Word” Is Coming Up!
3. The Most Closely-Guarded Client Getting System Ever?
4. 8 Out of 10 Say YES!
5. Go to Bed With 10 New Clients?

## Body:

Cameron and Mario are freakin' nuts.

The way they approach the market is unlike anything that I have ever seen. They're fast, and aggressive... and they get PAID!

Listen to this... “8 out of 10 will say yes after the first contact!” What? “If you contact more than 100 potential clients, you'll go out of business!” Why? How?

>> [Click Here to Watch This Video!](#)

You're about to have a system explained to you... that can actually make you rich... fast! Yes, this is a “get rich quick” opportunity, but you'll see soon enough just how realistic it is.

Get just five clients to each pay you \$2000 per month (taught in this course), never actually do any work for them... just outsource it all... and run with it.

That's 10k per month, my friend!

And you're about to learn this business from start to finish. What to write, what to say, how and when to do it, and how to outsource everything...

>> [Click Here to Get In On This Now!](#)

This is the last WSO they're ever going to run. You'll see in the video just how serious they are about that.

So do yourself a huge favor and jump in on this now.

What would you do with a ten thousand dollar per month income boost? How about twenty thousand? You really need to check this out.

Enjoy!

The most powerful business model on the planet (email marketing) meets the most lucrative market (health) in one of the most profound training programs ever put together.

Straight from the mind (and experience) of Lee Murray comes “Health Market Gold: Affiliates Edition,” a course that combines low-competition SEO, highly effective list building, and YouTube videos to create... well...

>> [Click Here to See The Beauty!](#)

The absolute best part about this training is the bonuses he includes. The “HMG Fast Start Guide” will get you off and running right out of the gate.

“Deep Niche Diving” will show you how to exploit your chosen health niche (he gives you a massive list to select from) to the absolute fullest, milking every last dollar possible out of it before moving on.

“Health Review Rampage” will have you creating what Lee calls a “consumer report” that, in my opinion, can easily double or even triple your earnings.

When you implement the entire “Health Market Gold” system, you end up promoting hot, super-high converting PHYSICAL products, where high commissions are paid and the refunds are virtually non-existent.

This should be extremely refreshing for anyone who has promoted Clickbank products in the past... and watched a good chunk of their commissions go right down the old refund toilet.

>> [Click Here to Actually KEEP Your Money!](#)

So yeah, big commissions, lots of them, recurring income, passive income, no refunds, easy sale, and a totally ethical approach...

Sounds crappy, doesn't it? Hahaha! Hardly.

Go check it out now.

Looking out for ya,
