

Week #8 (Full Order)

Remember, the hyperlinks in each email actually work within this pdf. Click each one to be taken to the affiliate page for the product being promoted.

There, you will grab your affiliate link (or request permission to promote).

Once you have your affiliate link, simply replace the links I've included in this pdf with your actual affiliate links. This is how you'll get paid!

Be sure to load these emails into your autoresponder service of choice.

You can set them to go out daily, every other day, or essentially however frequently you'd like.

If you'd prefer to send them out as newsletters (aka broadcasts), that's fine, too... though I really don't see much advantage to doing so. But I never claimed to see all things! ;)

In any case, thanks and enjoy.

I hope you LOVE this week's installment!

-Lee

P.S. Please contact me at lee@listbuildingwithlee.com if any of the products being promoted have been taken off the market. This happens from time to time, and there's really no way for me to monitor such things... so you can be my eyes and ears.

If a product has been taken off the market, I will find a replacement product for you to promote. Thanks.

*****IMPORTANT NOTE FROM LEE*****

Some of my students and customers have voiced concerns over not getting approved by product vendors to promote offers. Listen, it is up to you to make this happen! Do whatever it takes. PM or Email the sons of bitches... over and over again, if that's what it takes.

You are certainly welcome to drop my name. Let them know that you're a student of mine and that you're using my content to promote their stuff. But while that will certainly win you some points with many vendors, I don't have relationships with all product creators on Earth, contrary to what you may think!

As such, let them know that you're a real person. Don't be rigid in your approach. Be laid back, maybe a bit playful. Use words like "brother, my friend, amigo, etc." Don't suck up too much. Make them perceive you as valuable. If you beg them to let you promote, you're gonna look like a schmuck.

I've never used that word. Ever. That's how serious I am, apparently. ;)

If you have to contact a vendor more than once, do it. If you have to contact them more than twice, do it.

Also, remember that as you continue using these emails, building your list, and making sales...

You will start getting approved by more vendors more quickly.

C'mon, don't be helpless, okay? :D

You got this, baby!

Rock it out.

Thanks and enjoy,

Lee Murray

Katrina is truly living the dream, and she wants to help you do the same.

Just looking at her income stats and knowing how stinkin' easy it was for her to generate this revenue has me licking my chops. You should be, too!

I mean, when you see how she's pulling in well over 2500-3000 bucks each and every week, without a website, a product, or even an email list... Whoa, Nelly!

>> [Click Here to See Her “Impossible” Story!](#)

Best of all, Katrina has a blast doing this... and not just because she's banking like a madwoman. She actually enjoys sharing this stuff with her FB peeps.

Oh, and did I mention... she doesn't spend a single cent on Facebook ads. This is fast, easy, free income she's generating. And she's generating a LOT of it!

This wasn't always the case. She wasted tons of time and money on t-shirt sales, “penny clicks,” and useless coaching. Exhausted, she made it her

personal mission to find an easier, more streamlined way...

>> [Click Here to See What She Discovered!](#)

So much better than all that other crap.

I trust you'll agree.

Have fun!

2. This Ain't Your Daddy's Video!
3. Easiest, Most Profitable Video Software Ever?
4. I've Gotta “Hand” It to You...
5. Let Me Give You a “Hand!”

Body:

Everybody should be doing video. There, I said it.

No matter what your business model happens to be, or how successful you are, you can always enhance your bottom line through the use of quality video.

The problem is, recording good videos usually requires tons of technical expertise... or hundreds (if not thousands) of dollars, if you're outsourcing.

But what if you had a killer animated video software that cost you less than forty bucks? And I mean KILLER...

>> [See It In Action Here!](#)

And this is just a one-time payment! That means unlimited, top-shelf animated videos for less than what you'd pay to have a professional video editor make you a 10-second video!

I have seen similar softwares on the market, but this is the only one I've ever seen that doesn't charge you a hefty monthly fee for continued access. Again, this is a single, low payment for lifetime access to this dynamite software.

You don't see this kind of deal every day, especially when it comes to something that can have this kind of a massive impact on your business.

You owe it to yourself to check out the demo video. You'll learn everything you need to know about this software, so that you can make a responsible decision.

3. Dude KNOWS Traffic... Do You?
4. Traffic, Traffic, Traffic, and More Glorious Traffic!
5. [WSO OF THE DAY] You Want THIS Traffic...

Body:

Lack of traffic is almost every marketer's biggest problem.

Right?

I mean, all things created equal, it can be very frustrating to have an offer that converts at 15-20%, but only a trickle of people ever see the offer.

You know for a fact that if you could just get 100,000 pairs of eyeballs on this offer, you may very well be set for life! But you never get anywhere NEAR that volume of traffic. And you wanna pull your hair out.

>> [Click Here And Let Michael Shape You Up!](#)

I'm not gonna rant today. It's too important that you click that link immediately and see what this man has to share with you. It can change your life.
